Treasury Department Reports Decrease of 26,000,000 Pounds.

A report has been prepared by Deput Commissioner Williams, of the Interna Revenue Division of the Treasury De partment, showing the decrease in the anufacture of oleomargarine and the effect on revenues by reason of the increased tax on the artificially colored product. For comparison, two periods of nine months each are taken, from July 1, 1901, to March 31, 1902, under the old law, and the same months in 1902 and 1903 under the new law. The decrease in the number of pounds manufactured under the new law is more than 26,000, 000 for the nine months, and the de crease in revenues is more than \$1,

For the first period, when the tax was 2 cents a pound on all the product regardless of whether the oleomargarine as white or colored, the taxes collect ed amounted to \$1,703,318.96.

For the second period when the ta was 10 cents a pound on the colored product and 1/4 of a cent a pound 'or the uncolored, the amount collected a the 10-cent rate was \$194,810.98 and \$141,769.87 at the 1/4 of a cent rate, making a total of \$1,366,738.11.

The amount of the special taxes paid by both retailers and wholesalers for the first period was \$435,235.53, and for the first period was \$435,235.53, and for the second period \$247,481.33, or a decrease of \$187,754.20. Adding the falling off in this source of revenue to that paid by the manufacturers the grand total of the decrease is \$1,554,482.31.

In the first period there was manufactured 85,165,948 pounds of cleomargarine. In the second period the amoun of eleo manufactured which was taxable at 10 cents, was 1,948,109 pounds, and at % of a cent 56,707,948 pounds, or a total of 58,656,057. The total decrease is manufacture was 26,509,991 pounds.

CRITTENTON MISSION HEARS SCOTCH PASTOR

The Rev. James Robertson, pastor of the Haymarket United Free Church, of Edinburgh, Scotland, delivered an address last night at the Florence Critten ton Hope and Help Mission for Women 218 Third Street northwest, on the text 'Seek the Lord while he may be found. from Isaiah lv:6-7. He treated the sub ject with fascinating Scottish humor and diction, and affirmed that true happiness and joy in life are acquired through the right exercise of individual responsibility. Mr. Robertson, who has a fine baritone voice, and who studied vocal culture in London, also sang some Scot tish songs which gave great pleasure.

Mr. Robertson has been but a fortnight in this country, and is touring the United States and Canada on a two months trip, in connection with religious and temperance work. He expressed himself as much gratified by the anti-salcon movement in Washington. He leaves to-

day for Toledo, Ohio. A reunion of members and former members of the mission was held yesterday afternoon and evening at the Mission rooms. Tea was served in the afternoon and supper in the evening. Preceding Mr. Robertson's address, short talks were made by Mrs. Sarah Gilbert, Mrs. E. A Weeks, and Thomas Jarvis.

HYATTSVILLE NOTES.

HYATTSVILLE, Md., April 25 .- The old Dufour farm house, on Ellaville Heights, in the northern limits of .iyattsville, was burned yesterday afternoon. The fire, supposed to be caused by a defective flue, was noticed in the attic at noon and extinguished. It caught again at 3 o'clock and the alarm was given. In a few minutes the fire companies were on the ground with No. 2 hose and could have saved the building with the exception of part of the root had water been accessible. The furniture was all saved. The house has been owned about four years by Lieut. Frank Stevenson, United States Quartermas ter's Department, who is now in Porto Rico. The family, consisting of Mrs. -Stevenson and two children; moved into it three weeks ago. They now occupy a house on Guy Avenue. The burned house was a large, old-fashioned, comfortable frame structure, and had been recently put in complete repair. The amount of

Insurance is \$1,500.

The fair for the benefit of St. Jerome's Church closed last night. It was throughout a most enjoyable event, and its financial success exceeded the anticipations of its promoters.

Mr. and Mrs. William A. Carr, of Baltimore, have been visiting the former's allays natisea, nervousness, and all unpleasant feelings, and parents on Johnson Avenue.

John Gaither, of Riverdale, has se-cured a place in the United States Geological Survey, and will be located for the present at Clarksburg, W. Va.

UNACCEPTABLE ADVICE IN SEVERAL LANGUAGES

Captain Meredith Feels Gratified, But Fails to Act on It.

Some weeks ago a story was current that the waste ink and refuse discharged into the Potomac from the Government printing offices at the Bureau of Engraving and Printing were poisoning the water so badly that fish were dying by hundreds in the canal. The story was without foundation, but it inspired some would-be funny man to write a postal card in a hodgepodge of Italian. Spanish, Latin, and English to the Bureau. The postal card, which has been preserved by Capt. W. M. Meredith, in charge of the Bureau, as a singular example of the kindly interest which the public takes in the details of the Government, was directed to "Senor W. M. Meredith, Directoire da Printa et Engravure, Washington," and reads as follows: ington," and reads as follows:

Therefore prevent all complaint making money for Government.

As yet Captain Meredith has not acted on the advice of the card, nor has he as yet captain mercenth has not acted on the advice of the card, nor has be been able to grant the deliciously naive request of a woman living in Delaware who recently sent in a mutilated \$20 Confederate note, asking to have it re-

SIGNIFICANCE OF "PULL."

The great majority of the Government Department buildings in Washington are provided with swinging doors, which pear the legend "Pull." Endless jokes have been perpetrated by the witty young man on this simple fact.
